

## Payment options

### Credit/Debit Cards

The Ötscher Online Shop accepts Visa, Mastercard, Amex, ChinaUnionPay, Jcb, Diners, CartesBancaires, Discover, Electron and Maestro.

At the time of ordering, your credit card will be charged for the full invoice amount. For added security, your credit card's verification number will be requested as part of the ordering process. The three-digit card verification number can be found in the signature field on the back of your credit card.

### Apple Pay

This allows you to pay quickly and securely with your Apple device.

When paying, you who use Safari (on iOS and macOS devices) will see Apple Pay as an express payment option. Because their accounts are connected to their Apple device, Apple Pay customers simply click and buy without having to enter card or shipping details. All this allows you to pay quickly, easily.

### Payment via PayPal

PayPal is the online payment service that allows you to pay securely, easily and quickly. Your bank or credit card details are only stored at PayPal. Therefore, they are not sent over the Internet again with every online purchase - this makes PayPal payments extra secure. You also pay easily with two clicks. Because you fall back on your bank or credit card data deposited with PayPal, instead of entering them again with each purchase. By the way: PayPal enjoys great trust among buyers and sellers.

You can find more information about PayPal at [www.paypal.com](http://www.paypal.com).

### Offline payment

Payment by the customer must be made in advance within 14 days. After payment is received, the order will be processed and you will receive an order confirmation.
